## VCA Foundation Engagement Grant 2023 Acquittal

### **Purpose**

VCA Foundation Engagement Grants will support activities and projects that develop the professional capabilities of academic staff and the engagement priorities of the Victorian College of the Arts.

VCA Foundation Engagement Grants offer a means for academic staff to foster connections with their discipline to the wider community, to industry and international networks. Funded projects should enable VCA staff to engage with, exchange knowledge and/or collaborate with organisations and individuals beyond the academy to create public, social and cultural value.

VCA Foundation Engagement Grants align with the broader University engagement priorities set out in [Advancing Melbourne](#).

### **Criteria**

Grants were awarded to proposals that successfully demonstrated:

- Aims and objectives aligned with engagement objectives
- How the impact of the project will be measured.
- Ability to complete project successfully (eg. Track record, collaborators, partner support)
- Appropriately costed budget and timeline.
- Specific outputs arising from project (eg. Reports, workshops, publications etc).
